

LIST OF TABLES

- Table 4.2.1. Amphibian biodiversity in Zambia.
- Table 4.2.2. Amphibian families of social, cultural, economic and veterinary importance.
- Table 4.3.1. Reptilian biodiversity in Zambia.
- Table 4.4.1. Avian biodiversity in Zambia.
- Table 4.4.2. Threatened Birds of Zambia.
- Table 4.4.3. Bird orders of social and cultural importance.
- Table 4.4.4. Bird orders of economic importance.
- Table 4.4.5. Bird orders of agricultural importance.
- Table 4.4.6. Bird orders of veterinary importance.
- Table 4.4.7. Bird orders of ecological importance.
- Table 4.5.1. Threatened mammal species of Zambia.
- Table 4.5.2. Mammal species of agricultural importance.
- Table 4.5.3. Keystone mammal species

LIST OF FIGURES

- Figure 4.2.1. Spatial distribution of Amphibian species richness in Zambia.
- Figure 4.3.1. Spatial distribution of snake species richness in Zambia.
- Figure 4.3.2. Spatial distribution of non-snake species richness in Zambia.
- Figure 4.4.1. Spatial distribution of wetland bird species richness.
- Figure 4.4.2. Spatial distribution of birds of prey species richness.
- Figure 4.4.3. Spatial distribution of species richness of Bucerotiformes, Piciformes, Columbiformes, Psittaciformes and Musophagiformes.
- Figure 4.4.4. Spatial distribution of Passerine species richness.
- Figure 4.5.1. Percentage distribution of species among mammalian orders.
- Figure 4.5.2. Spatial distribution of mammalian species richness in Zambia.
- Figure 5.5.3. (i) Spatial distribution of endemics, near endemics, rare species and species with restricted distribution in Zambia and (ii) Centres of endemism in Zambia.

LIST OF APPENDICES

- Appendix 6.1. Systematic list of Amphibians recorded in Zambia including their conservation status
- Appendix 7.1. Systematic list of reptiles recorded in Zambia including their conservation status.
- Appendix 7.2. Reptilian families of social, cultural, economic and ecological importance.

Appendix 8.1. Systematic list of birds recorded in Zambia including their conservation status and distribution.

Appendix 9.1. Systematic list of mammals recorded in Zambia including their conservation status.

Appendix 9.2. Mammal species of social, cultural, medical and economic importance.

Appendix 9.3. Zoonotic diseases prevalent in Zambian mammals.
