

## MAPS OF HIGHER VERTEBRATE SPECIES RICHNESS DISTRIBUTION IN ZAMBIA

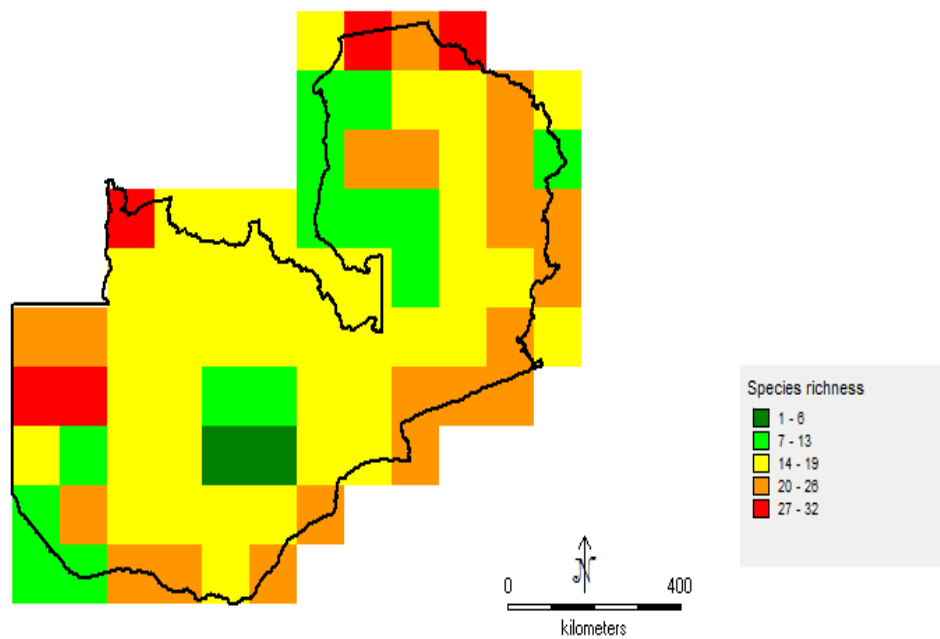

Figure 4.2.1 Spatial distribution of Amphibian species richness in Zambia

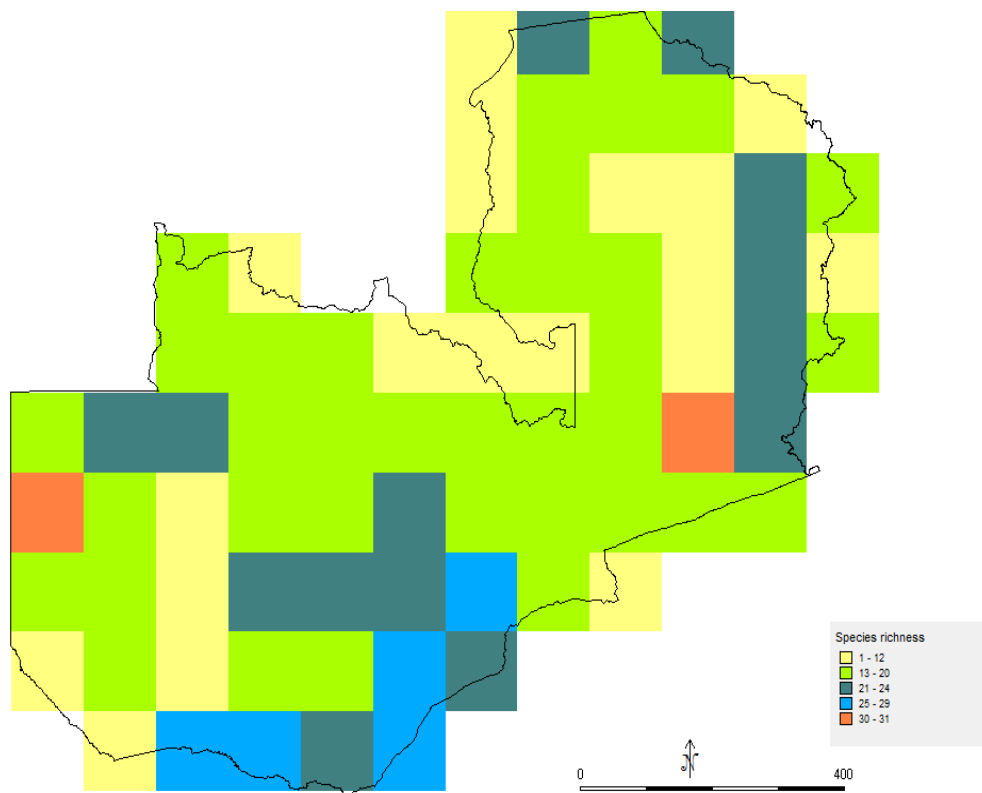

Figure 4.3.1 Spatial distribution of snake species richness in Zambia

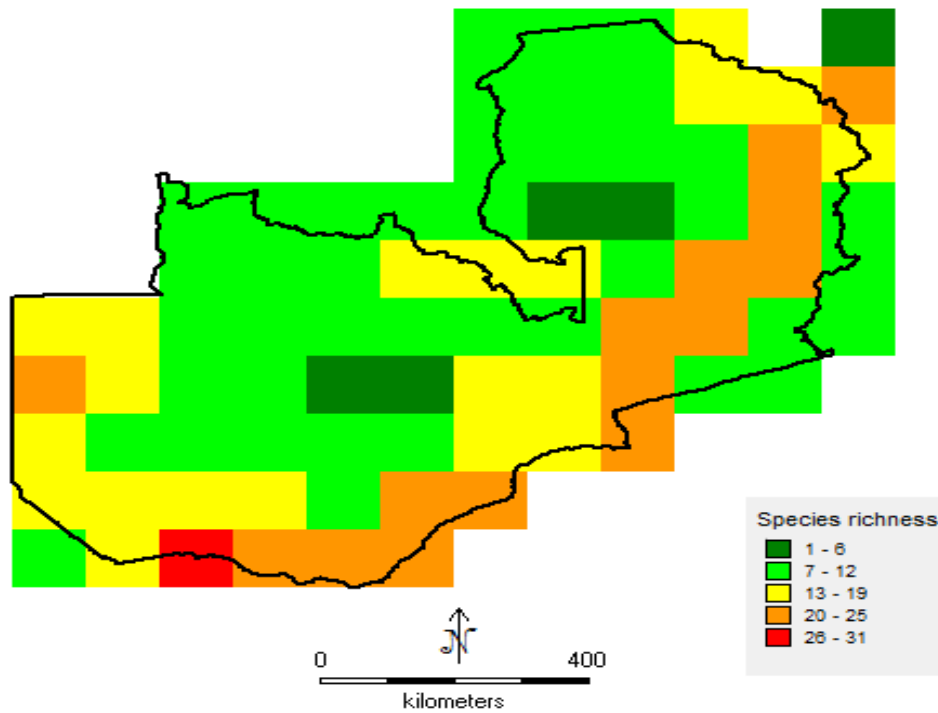

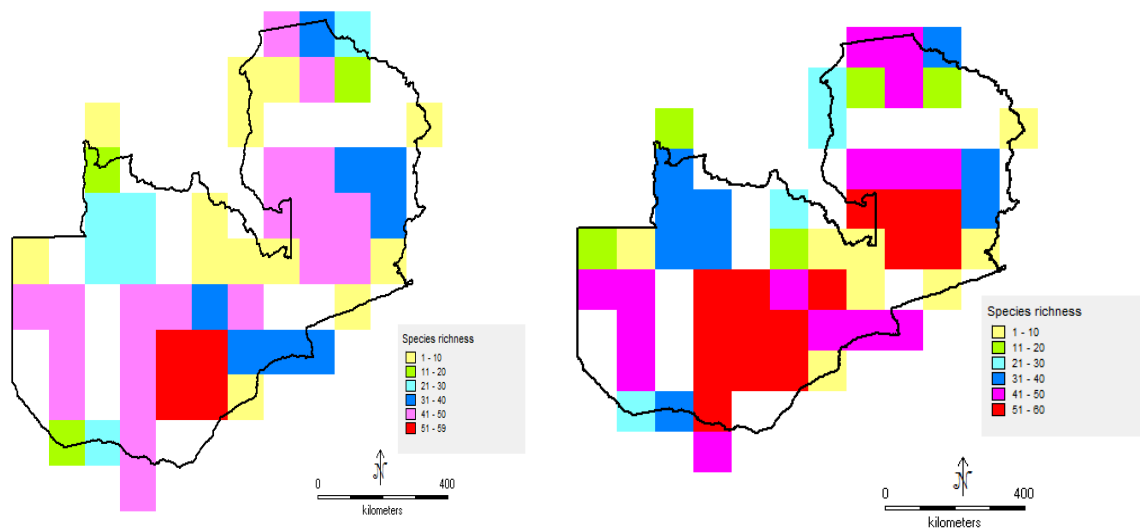

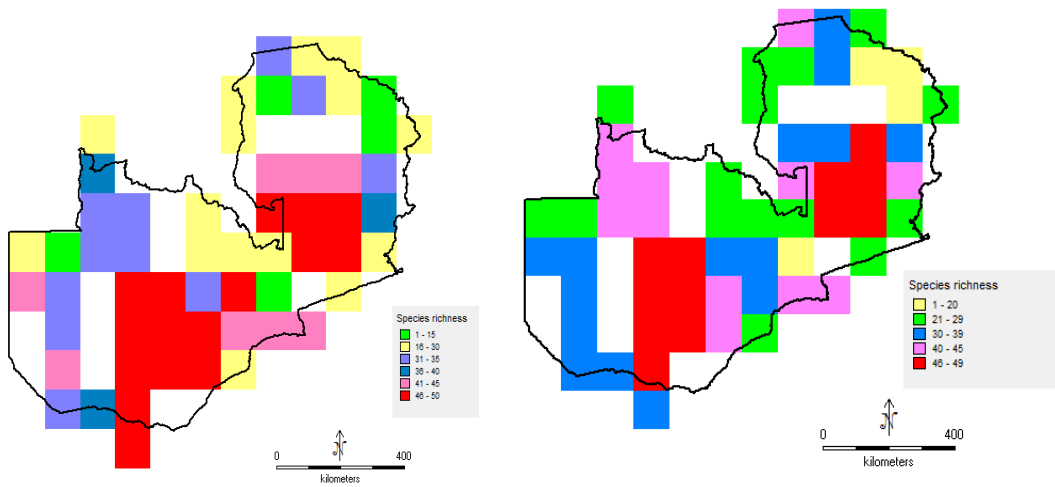

Figure 4.3.2. Spatial distribution of non snake reptile species richness in Zambia

(i)

(ii)

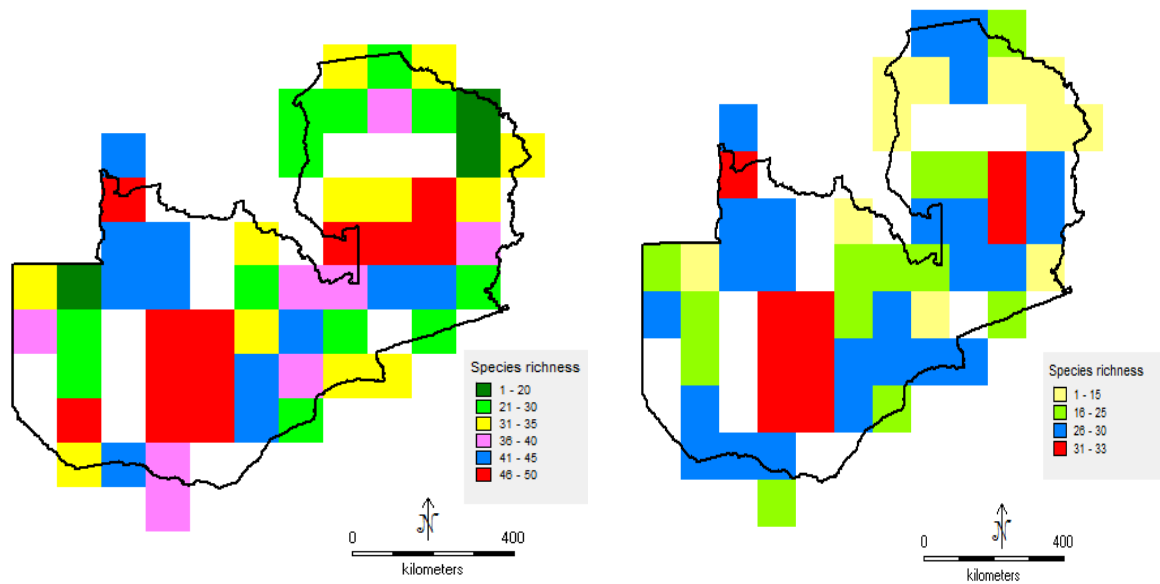

Figure 4.4.1 Spatial distribution of wetland bird species richness. (i) Charadriiformes and (ii) Podicipediformes, Suliformes, Pelecaniformes, Ciconiiformes, Phoenicopteriformes and Gruiformes

(i)

(ii)

Figure 4.4.2 Spatial distribution of birds of prey species richness (i) Accipitriformes and Falconiformes and (ii) Strigiformes

(i)

(ii)

Figure 4.4.3 Spatial distribution of species richness of (i) Bucerotiformes and Piciformes (ii) Columbiformes, Psittaciformes and Musophagiformes

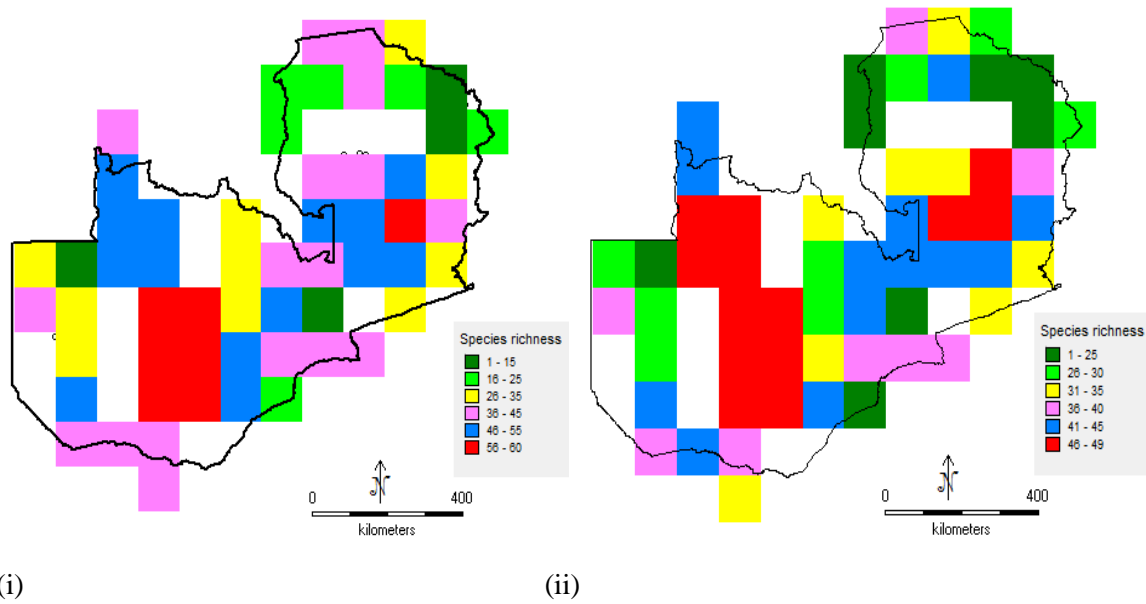

Figure 4.4.4 Spatial distribution of Passerine species richness of (i) Passeridae, Ploiceidae Estrildidae, Viduidae, Fringillidae and Emberizidae and (ii) Paridae, Nectariniidae, Oriolidae and Laniidae.

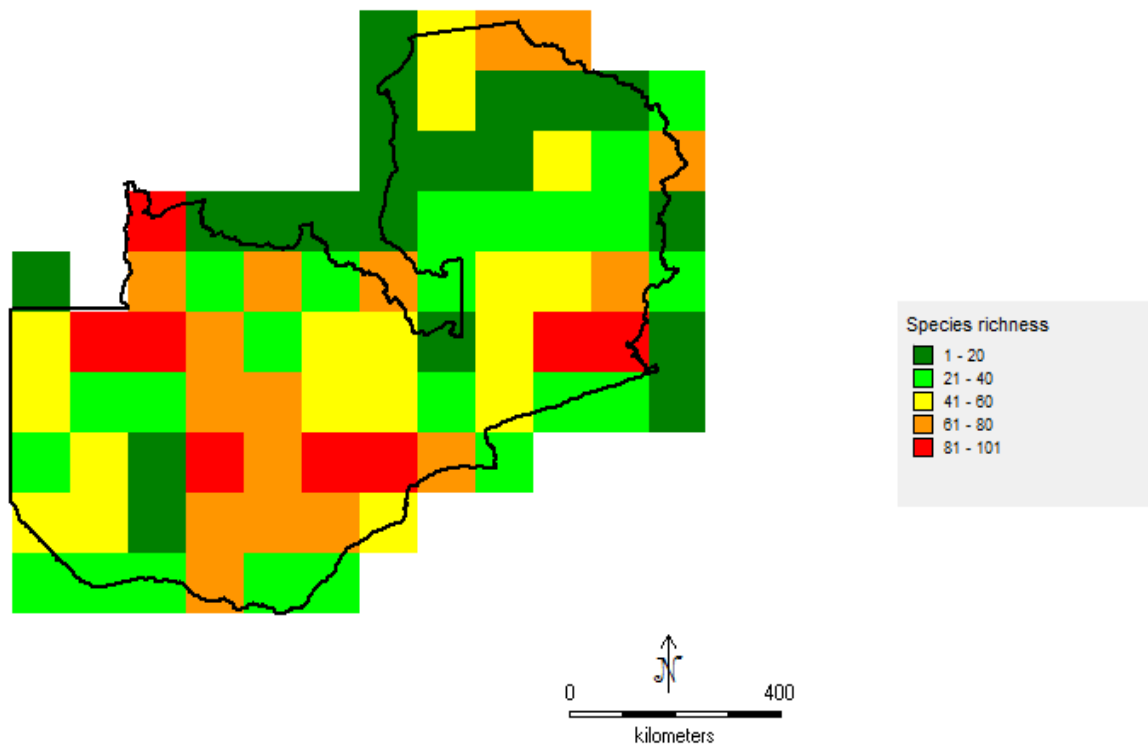

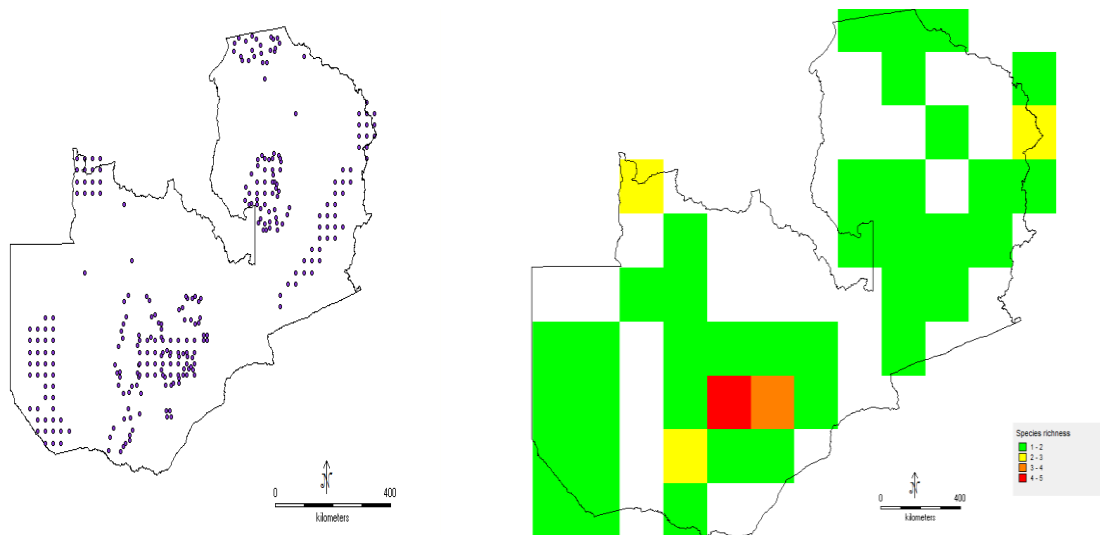

Figure 4.5.2. Spatial distribution of Mammalian species richness in Zambia

(i).....(ii).....

Figure 4.5.3. (i) Spatial distribution of endemic, near endemic, rare species and with restricted distribution in Zambia and (ii) centres of endemism in Zambia.
